

Annual Report 2022-23

Vidyechi Devta Maa Saraswati la vandan karun,

**Maharashtrache aaradhya daivat Chhatrapati Shivaji Maharajanna Manacha
Mujara Ghalun,**

**Hon Guests MLA Sir, Chairman Sir, Director Sir, Dear Parents and all Kidzeeans
and SDKians,**

**Very good evening !!! and I welcome you all from Swargiya Bhausahab ji
Fundkar Rangmanch in the galaxy of Ek Bharat Shreshtha Bharat,**

**I must congratulate all stakeholders for having a year of achievements in
consistency. Seeing the constraints of time, I would just highlight the
achievements of our young achievers in academic year 2022-23. Despite of
many challenges of covid and post covid, we remained very vibrant, creative
and active in all the last three years holistically.**

**The learning in a school is a together impact in X board exam. My fifth batch
passed out AISSE exam in June 2023. I proud to share, we again maintained our
glory of giving TOP in Khamgaon among all schools. Mst. Parnil Belokar topped
in AISSE CBSE X Board exam with 96.6% in Khamgaon. 40 students among 69 got
special distinction and 11 students scored more than 90%. Mst. Parnil Belokar
scored 100 on 100 in mathematics and Mst.Advait Khirudkar scored 100 on 100
in English. We have maintained a strong legacy of results through a journey of
17 years.**

**I am very very excited to share the great news that Ms. Aaradhya Pathak
bagged the first rank in National Science Olympiad conducted in more than 50
countries. The great achievement of gaining International Rank 1 in NSO exam
itself requires no words to talk more. Internationally among top 100, SDK
contributed 5 ranks in IEO, 20 ranks in NSO, 14 ranks in IMO. We bagged
together more than 400 gold medals.**

**Achevements in Homi Bhabha BalVaidnyanik Spardha, total 7 students were
eligible for II level. Mst. Vihan Amit Deshmukh Son of Dr. Smita and Dr. Amit got**

selected for III level and we are supporting him to get awarded as a Bal Vaidnyanik.

National Education Policy focuses on 360 degree holistic development of every individual. To enhance experiential and joyful learning, we have inducted the more use of science, computer, music, maths, V-Arts labs in day to day learning. 26 students got selected in district – division- state level and 5 students Ms. Tani Khetan (Lawn tennis), Ms. Vaishali Bobdey (Kudo), Mst. Viraj Bobdey, Ms. Mahi Tomar, Pradnya Sapkale and Tapasya Hingankar got selected at Statelevel in Yoga. My student Mst. Atharva Saket Saraf got national level photography award and Mst. Parth Ratnaparkhi bagged Kids India Award in AY 22-23.

My V-Arts department too established a new benchmark in elementary and intermediate drawing exams. 5 students got A grade in Elementary and 3 students got A grade in Intermediate exam.

Competency Based Education is the primary objective of NEP. The projects like S-JET, Foundation exams with negative marking system developed great competency among students. Projects like Mission NTSE is nurturing the habit of micro learning. We are committed to create THINK TANK in SDK. We are launching Mission IAS and Foundation Course project in academic year 23-24 with expertised faculties from PAN India. The activities like Yoga Day, Ashadhi Ekadashi, Amrit Barse, Azadi Ka Amrit Mahotsav, Eco friendly Ganesha, Hindi Saptah, Dandiya Utsav, Geet Govind Diwali Utsav, Sports Week, SDK Fest are prominent to develop SDKians holistically.

I hereby announce the admission session for very limited seats in pre primary as well Std II to X is open. Admission Inquiry forms are available. We are in a development of infrastructure of good standard and sports equipments,

We are here for a super fest EK Bharat Shreshtha Bharat. Wishing you a moments of joy and mesmorizing....

Thank You very much... !!!
